

HMWC RANKED AS “TOP 150” FIRM BY CalCPA

TUSTIN, CA, SEPTEMBER 18, 2018 – The California Society of CPAs (CalCPA) has ranked HMWC CPAs & Business Advisors (“HMWC”) as one of its [“Top 150 CPA firms”](#) in terms of CalCPA membership.

HMWC ranked 35th on the list, which is based on the total number of CPAs in a firm, all of which must be CalCPA members. This list was published in the September 2018 issue of California CPA magazine, in which HMWC was recognized as a “100% membership firm.”

According to Steve Williams, HMWC managing partner, “We’re proud to be selected as a CalCPA Top 150 firm. HMWC is committed to the integrity of the profession and to the CPA community. We want all our CPAs to be CalCPA members because we believe that when our employees feel supported in their professional development and are part of a community, they are more likely to stay and grow with our firm.”

According to CalCPA “When an accounting firm chooses to ensure that all eligible staff are CalCPA members, its dedication to the profession is clear. These are firms that understand there is strength in numbers, how the future is built on decisions made now and why some workplaces are strictly places to work and why some are the best places to work.”

With 45,000 members CalCPA’s vision is that members are to be viewed as leaders in professional competency and integrity by clients, employers, and the public and government officials.
